Re: **Annual Review of Base Rates for Fuel Costs of Duke Energy Carolinas, LLC**  
**Docket Number: 2020-3-E**

Dear Ms. Boyd:

On July 30, 2020, Duke Energy Carolinas, LLC ("DEC") filed with the Commission direct testimony related to the annual review of base rates for fuel costs of DEC, which included testimony and exhibits for witness Kimberly D. McGee.

Enclosed for filing please find the revised Direct Testimony and Exhibits of Kimberly D. McGee. This testimony was revised to correct a typographical error on Page 6, Line 10. That line originally included the word "under-collection," but has been revised to read "(over)-collection." Additionally, parentheses have been added around the amount of \$18.9 million to reflect that this amount was an over-collection, rather than an under-collection. No other changes have been made to the testimony or exhibits. Please replace the previously filed version of this testimony with the attached revised version.

By copy of this letter, I am serving all parties of record via electronic mail.

Sincerely,

Katie M. Brown
